THE Peerless Elastic Abdominal Belt.

This Belt, which has proved such a blessing to ladies suffering from weakness, disease or displacement, was invented wholly for private use; without any thought, on the part of the inventor, that it would ever go beyond a few personal friends; but as one and another of those to whom it was given received great comfort from it, the inventor was urged to enlarge its usefulness by giving it to the public. Its superiority consists in its extreme lightness, openness and elasticity. It allows PERFECT FREEDOM of movement, and covers so little surface that it is not heating. Before introducing it to the public its merits were thoroughly tested by some of the best physicians in New England, to whom reference is permitted by the inventor.

We shall be glad to show or send them to those who are suffering from any weakness requiring a supporter. Price, \$3.00. Address,

PORTLAND SUSPENDER CO.,

135 Middle St., Portland, Me.
